

QUALITY POLICY STATEMENT

Claremont Refurbishment Limited Quality Policy is to achieve sustained profitable growth by providing quality services that consistently satisfy the needs and demands of our Clients.

Achievement of this policy involves all staff, who are individually responsible for the quality of their work, resulting in a continually improving working environment for all.

To achieve and maintain the required level of quality assurance, the Managing Director retains responsibility for the quality system with assistance from all staff.

The objectives of our quality system are:

- To ensure a high-level quality system, established through good communications of our Clients' needs.
- To set standards and instigate procedures that make the Company leaders in its field.
- To continually improve the system by self-critique, audit and the following up of Customer complaints.
- To promote training and to verify and optimise Employee knowledge at all levels of function in the pursuit of quality.

The Company believes in our quality systems are applied in these three simple objectives:
